Link for Backlog

https://trello.com/invite/b/YBeQIKRH/31435f2d7ebcdc275c50126525128dc8/sprint-for-database

1. What went well this sprint? Gathering the information I will
2. What did not go well for this sprint? Making sure the flow between the database and what was needed matched up
3. What are three goals for the upcoming sprint? Gathering information for trainings, create trainings, gather information for labs
4. What are three stretch goals for the upcoming sprint? Getting tasks completed before due date, collecting surveys from management, and making labs work without errors.
